### **Short Description**

The Book of III Baruch  
by Dr. J.J. Hurtak

### **Description**

**The Book of Third Baurch**

***by Dr. J.J. Hurtak***

An ancient text that gives a kabbalistic description of the heavenly realms that surround us. This small book begins the inner journey of awakening to the vastness of the universe. As we begin to live with the understanding of the forgotten scriptures, our cosmology expands to a greater world view where we begin to comprehend the myriad forms of creation.

Brochure booklet, A5-Format, 72 Pages
