Description

Negotiating with Other Worlds

Space Colonization and Diplomacy

by Dr. J.J. Hurtak

If we consider the possibility that something more than microbial life may be found on another planet within our lifetime, we need to be socially prepared. Because of this, the implications for our worldview in general, and space-based diplomacy in particular, have become pressing.

A new discipline known as space law with "Space Treaties" is preparing us to deal with the options we Earthlings will have to face when we encounter representatives from cosmic cultures.
