## **Description** *by Marya*

An uplifting experience of magnificent song and music for those seeking knowledge of the Divine Names of God. The "Birth of "Light" brings us closer to the discovery of the "Divine Purpose" and "Joy" in our daily lives, in our quest to uncover the Language of Light.

The masterful voice of Marya awakens an intricate soundscape of musical sounds within our soul. It is a joy of singing the many Names of God that heals the separation between our mind and our heart. And it is this same joy that heals the separation from our heart and our soul.
